

RPF SI Syllabus and Exam Pattern

RPF SI Exam Pattern 2024

- The RPF Exam 2024 is conducted as a computer-based test.
- The exam assesses proficiency in three key areas: Basic Arithmetics (35 questions, 35 marks), General Intelligence and Reasoning (35 questions, 35 marks), and General Awareness (50 questions, 50 marks).
- Candidates are allotted 1 hour and 30 minutes (90 minutes) to complete the entire exam.
- The marking system awards 1 mark for each correct answer.
- However, there is a negative marking penalty of 1/3 mark for every incorrect response.
- In total, the exam consists of 120 questions, with a cumulative mark value of 120.
