-Bharat Ratna Dr. B. R. Ambedkar

BABASAHEB BHIMRAO AMBEDKAR UNIVERSITY

Babasaheb Bhimrao Ambedkar University was established by an act passed by the parliament (No. 58 of 1994). The University came into existence on 10.01.1996 vide GOI, Ministry of HRD, Education Department Notification No. 8-16/GOI/desk/U-1 dated 05.01.1996. The basic philosophy and policies of the University are spelt out and enshrined in the University Act and Statutes. The University offers graduate and post-graduate students the knowledge and skills needed to succeed as persons and professionals, and the values and sensitivity necessary to serve the society. The University distinguishes itself as a socially responsible learning community of high quality scholarship and academic rigor sustained by social justice and equity principles for which Babasaheb Bhimrao Ambedkar worked during his lifetime. The University draws from the cultural, intellectual and economic resources of Uttar Pradesh and other states to enrich and strengthen its educational programs.

The University is preparing students from rural mainland of Uttar Pradesh in particular, and all parts of India in general, often coming from marginalized sections for leadership in a complex world.

It offers the kind of education needed through various inclusive, society-oriented programs for transforming our country in the disciplines of Humanities and Sciences, Engineering, Agriculture, Biotechnology, Business, Law, Education and Environmental Sciences – through a breadth of highly regarded degree programs that allow students the freedom to explore their intellectual and personal growth. The faculty members at our University accept their responsibilities conscientiously, share leadership in a democratic spirit, and maintain subject to the highest standards of public trust. University offers 99 courses that include Diploma/integrated PG Programmes/UG/PG and Ph.D. at its main campus and satellite centre at Amethi.

The University strives to fulfill the objectives of its inception. University provides 50 percent seats of all the courses reserved for the students of Schedule Caste and Schedule Tribes. Now with the government directives, University also offers 10 percent seats reserved for the Economically Weaker Section. The University also provides fee exemption for the students of the Schedule Caste and Schedule Tribes in regular courses. University also provides financial assistance to the Schedule Caste and Schedule Tribe students for their dissertation and thesis preparation. University also has a satellite centre at Amethi, started in the year of 2016. The University has a fully air conditioned and well-furnished Central Library namely Gautam Buddha Library having more than 50 thousand books and 10 thousand online journals along with departmental libraries in the respective departments to cater to the demand of the students pursuing studies in the University. The University has one health centre with availability of doctor round the clock. For overall development of the Students University has a Centre for Personality Development with Residential Coaching Programme (RCP) and Remedial Coaching Centre (RCA). The University has a Student activity centre which is likely to be functional.

Objectives of the University-

- To promote learning and provide instructional and research facilities of standard quality in higher education.
- To make provision for integrated courses in Science, Technology, Medical Sciences, Agriculture Sciences, Social Sciences, Legal Studies, Management, Humanities and allied areas and research in frontier areas of knowledge.
- To take appropriate measures for promoting innovations in teaching-learning process in inter-disciplinary studies and research in the educational programmes of the University.
- To offer appropriate courses and pay special attention for the development of socially, educationally and economically marginalised sections of the people in general and of members belonging to the Scheduled Caste and Scheduled Tribes in particular.
- To promote the study of the principles for which Babasaheb Bhimrao Ambedkar worked during his lifetime, namely, national integration, social justice and democratic way of life, and also study of the Constitution of the World.

Vision of the University-

The Vision of the University is, “To be a dynamic, creative and competitive Centre of Excellence in advanced knowledge, especially relevant for the development of the nation and of the socially, educationally and economically marginalized sections of the people”.

In the coming years, BBAU will be taking up a range of other activities designed to further preserve our environment; provide learning experiences surpassing cultured linguistic and geographical boundaries making our socially and ethically responsible global citizens. The University has designed a road map to achieve excellence, in making learner centre education through collaboration, rigorous training promising employability for our graduates. The strategic initiatives of the University include major focus on emerging global educational trends and creation of knowledge base society to face the unforeseen challenges of tomorrow’s world. The University also plans to own a radio station for the dissemination of community oriented information, education and knowledge.

New initiatives undertaken by the University are towards improving infrastructure, campus development, welfare of the faculties and students, empowerment of women and weaker sections, creation of sports, health and other facilities, establishing new hostels for students, initiating innovation in academic and extra-curricular activities. The University is making serious efforts to attract the students from other countries. In this direction, an International student centre has been created which will work exclusively for the international students and their hassle free admission. An office of Dean R&D has been established to promote collaborations, consultancy services based on principles of public private partnership. These endeavors of University are surely going to earn laurels for the University.

Mission of the University-

- To promote advanced knowledge by providing instructional and research facilities in such branches of learning as it may deem fit
- To make provisions for integrated courses in science and key frontier areas of technology and other allied disciplines in the educational programmes of the University
- To offer appropriate courses relevant for the development of socially and economically depressed sections of the people including agricultural technology and rural crafts
- To promote the study of the principles for which Dr. Babasaheb Bhimrao Ambedkar stood and worked during his life time, namely, national integration, social justice and democratic way of life
- To promote the study of the constitution of the world and to take appropriate measures for promoting innovations in teaching learning processes in inter-disciplinary studies and research
- To pay special attention for the promotion of educational and economic interest and welfare of the people in general and of members belonging to Schedule Caste and Schedule Tribe in particular by providing an adequate percentage of seats for them in admission.

Education at BBAU

BBAU epitomizes in providing the highest standards of education with the help of eminent faculties which match up with global standards of education and research. BBAU is committed to undertake academics and research in the areas beneficial to industry and society. The faculties based on their exemplary research have been successful in garnering prestigious awards and fellowships across the globe. The University awards more than 100 Ph.D. degrees on an average every year. To give a further boost to education, the University is partnering with the leading institutions of India and abroad through Memorandum of Understandings (MOUs).

MESSAGE FROM THE VICE-CHANCELLOR

Babasaheb Bhimrao Ambedkar University, Lucknow has become an ensemble of a multi-layered educational system in myriad disciplines which covers different aspects of teaching and research in various departments including, M.Phil. and Ph.D. programmes. We attract the brightest young minds from all over the country. They use the supporting and innovative research space provided by BBAU to actualize their potential.

We at BBAU firmly believe and practice the dictum “Pragya Sheel Karuna” the logo of the university and strive to prepare students to become better citizens of our country irrespective of their cultural and financial moorings and contribute to the welfare of society and development of country. BBAU has been on the path of delivering quality education by developing young human resources on the foundation of ethical and moral values while boosting their leadership qualities, research culture and innovative skills.

Built on a sprawling 250 acres of lush green campus, this ‘temple of learning’ has excellent state-of-the-art infrastructure facilities conducive to higher teaching-learning environment and research. The main objective of the University is to provide higher education of global standards and hence, all the curricular programs are designed to meet international standards. Highly experienced and qualified faculty members, are continuously engaged in the maintenance and enhancement of a student-centric learning environment through innovative pedagogy, which forms the backbone of the University.

In recent years, BBAU, Lucknow has made significant strides. It got NAAC Accreditation with Grade ‘A’ and has been ranked consistently at a higher pedestal by various ranking frameworks. Even we have started taking steps to gear up to participate in the world rankings. The University has been benchmarking its teaching and research processes by increasing its interface with foreign educational institutions through strategic MOUs for faculty and student exchange, joint research, joint conference and joint publication. International visibility of the University is being given top priority. We are constantly striving to boost quality education and draw the best academic and research personnel to the University. We are encouraging entrepreneurship and innovation on the campus by partnering with DICCI and EDI, Ahmedabad and facilitating campus recruitments and consistently striving to connect our students to the world.

The move towards inter-disciplinary research has opened up several options as well as created multiple challenges before the nation. At this juncture where young students are opting for global standard education, the major focus should be on creating a platform for quality knowledge and bridging the gap between academia and industry.

It is a matter of great pride and privilege to be the head of this esteemed University that prepares students to meet the challenges of the present day society. This has become possible with the untiring efforts of our University fraternity who have excellent academic conscience. Most of the faculty members of the University are involved in research by attracting funded projects from various research organizations like UGC, CSIR, ICSSR, DST, DBT, AICTE and industries. The outcome of the research is passed on to the students through live training and projects. The entrepreneurial zeal of the students is encouraged and nurtured through Entrepreneurial training.

I, therefore, call all the budding students to come and be the part of academic ventures of the University and become scientists, academicians and renowned researchers of tomorrow.

Prof. Sanjay Singh
Vice Chancellor

UNIVERSITY SCIENCE INSTRUMENTATION CENTRE (USIC) -

As per the UGC's mandate, University has established University Sophisticated Instruments Centre (USIC) as central facility. In fact, the creation of such a center is obligatory for every university for the reason that the modern day science demands the use of precision equipments for the acceptability of data. Such centres help stop duplication of sophisticated equipments, which cost huge amounts and in turn help in regulating the use of the sanctioned money in the most judicious way. This is housed on the ground floor of the School for Environmental Sciences building. USIC has four precision equipments:

1. Scanning Electron Microscope, (SEM, Model JSM-6490 LV of JEOL, and Japan) with EDX facility and two preparatory units, viz., Critical Point Dryer and Ion Sputter Coater;
2. Fourier Transform Infrared Spectrometer with ATR - Attenuated Total Reflectance (FT-IR Spectrometer, Model Nicolet TM 6700 OF Thermo Scientific, USA);
3. Fast Performance Liquid Chromatography (FPLC, Model EKTA 10 of GE Healthcare Bioscience. Sweden).
4. X-ray Diffractometer (XRD, Model: D8 Advance Eco, Bruker, Singapore)

These equipments have been procured and are under regular use in USIC.

Purchases of Inverted Laser Scanning Confocal Microscope from Carl Zeiss India (Bangalore) Pvt. Ltd. and Preparatory HPLC from Spinco Biotech Pvt. Ltd are under final stage.

WOMEN CELL AND DAY CARE CENTRE-

The University is doing a lot of work towards gender equality. As a path breaking decision, a provision of gender budgeting has been made on BBAU financial road map. Gender budgeting basically means that a part of the budget will be set aside for gender specific activities.

The University has basic facilities for the women employees and girl students including a day care center in the campus.

NATIONAL CADET CORPS (NCC) AND NATIONAL SERVICES SCHEME (NSS)-

Training in NCC instills qualities like nationalism, patriotism, discipline, team spirit, spirit-de-corps, leadership and self-confidence and promotes overall personality development. NCC gives a tremendous opportunity to one and all for betterment, irrespective of caste, creed, religion or economic status. Based on the aims of NCC, the syllabi for the Senior Wing/Division cadets cover a period of three years.

Similarly, to develop a sense of social and civic responsibility among the students, BBAU NSS wing was started with following objectives:

1. To make understand the community in which they work,
2. To understand themselves in relation to their community,
3. To identify the needs and problems of the community and involve them in problem-solving.
