

ODISHA STAFF SELECTION COMMISSION

Unit – II, Bhubaneswar – 751012

No.IIE (Conf)- 62/23 - 09(C)/OSSC; Date: 02/01/2024

Notification

The Commission received representations from many reserved category candidates who were selected against UR seats in CGLRE-2022 raising complaints about their service allotment.

The main thrust of their representation was that they have been adjusted against UR vacancy because of higher marks obtained by them. However, they have received a service of lower preference as a result of the same. In many instances, such candidate received group 'C' service, but a candidate belonging to same category who received less marks received group 'B' service because such candidate was counted against reserved category.

After examination of the representation and all relevant materials, it was decided by the Commission that allotment to service/post will be made in accordance with Supreme Court judgement in Civil Appeal No.4310-4311 of 2010 (Union of India Vs. Ramesh Ram & others). The merit list and service allotment published vide Notification No.II(Conf.)-62/23-380(C)/OSSC dated 22.12.2023 were kept in abeyance.

Accordingly, in accordance with the provisions under Rule-15 of Odisha Staff Selection Commission, Rules 1993 & subsequent amendments and according to Advertisement **No.6490/OSSC dtd.02.11.2022 for Combined Graduate Level Recruitment Examination-2022**, the following candidates are hereby provisionally selected based on their performance in the main written examination, Mathematics Test & Computer Skill Test (Mathematics Test and Computer Skill Test wherever applicable for the post) and were found suitable in Certificate Verification. The selected candidates are allotted to the post/service as per their choice exercised Online subject to merit and availability of vacancy in the category, as per Supreme Court judgement cited above.

Accordingly reserved category candidates recommended against UR vacancies are adjusted against reserved vacancies if by this process they get a service of higher choice in order of their preference. However, if they get the same service, they were adjusted against UR vacancy.

The merit list and service allotment published vide Notification No.II(Conf.)-62/23-380(C)/OSSC dated 22.12.2023 is hereby cancelled.

The inclusion of any name in this list does not confer any right to appointment unless a specific appointment letter is issued to the candidates by the concerned Appointing Authorities as per criteria prescribed in the Advertisement and relevant recruitment rules in force.

An appointment order is issued by the Appointing Authorities concerned in favour of the selected candidates on verification of their original certificates in support of age, educational qualification, caste, category, special category, and other eligibility criteria prescribed for the post as per rules.

The appointment of the candidates for the post of Junior Clerks in the offices of Engineer-In-Chief, Principal Chief Electrical Inspector, Odisha shall be subject to final outcome of WP(C) No.11133 of 2021.
