

TS EAMCET 2024 Biology Syllabus

Botany Syllabus

- Diversity in the Living World
- Plants, Microbes and Human Welfare
- Genetics: Principles of Inheritance and Variation
- Plant Systematic
- Biotechnology and its Application
- Plant Physiology
- Plant Ecology
- Reproduction in Plants
- Morphology of Flowering Plants
- Internal Organisation of Plants
- Microbiology
- Cell- The Unit of Life
- Molecular Biology: Molecular Basis of Inheritance

Zoology Syllabus

- Human Anatomy and Physiology-3
- Locomotion & Reproduction In Protozoa
- Human Anatomy and Physiology-2
- Ecology & Environment
- Invertebrate Phyla
- Biology & Human Welfare
- Zoology – Diversity of Living World
- Organic Evolution
- Applied Biology
- Type Study of Periplaneta Americana
- Structural Organisation in Animals
- Phylum: Chordata
- Human Anatomy and Physiology-1
- Human Reproduction
- Human Anatomy and Physiology-4
- Genetics
