- The municipality bagged the Swachh Survekshan award
- It is a national honor bestowed upon cities exhibiting exceptional performance in sanitation and hygiene.

National Birds Day

- National Bird Day on January 5 highlights the importance of small birds in the ecosystem.
- Led by the Avian Welfare Coalition, the day focuses on raising awareness about birds in captivity, emphasizing the need to protect them from exploitation for profit or entertainment.
- The Indian peacock, with its majestic plumage and captivating dance, is the national bird of India.

National Birds Day 2024: Theme

- The theme of this year’s National Birds Day is ‘Right To Fight’.
- It resonates with the flight of a bird that symbolises freedom. With this campaign, the Avian Welfare Coalition aims to reduce the suffering of birds by raising public awareness of the destructive bird trade, the realities of cruel bird breeding mills and the ways to improve the welfare of birds already in captivity.
